Redefine Healthcare is a modern pain management practice delivering exceptional, high-quality, individualized pain care in the heart of New Jersey's Middlesex County in Edison. Using the most advanced equipment, our clinic provides the state of the art pain management care as well as chiropractic and physical therapy services. If you are in pain, schedule an appointment at our rehabilitation center to receive the pain relief you require in the reassuring hands of the best pain doctors in Edison, New Jersey, and the surrounding area.

Our Interventional Pain Management specialists are among the best in the region, offering a comprehensive range of medical treatments for patients suffering from acute and chronic pain such as the back, shoulder, sciatica, knee, and neck. We focus on diagnosing and treating chronic pain using minimally invasive procedures. Our specialists in this field use various techniques, such as nerve blocks, spinal cord stimulation, and epidural injections, to help alleviate pain and improve the quality of life for patients suffering from acute and chronic pain.

Some of our services:
Sports injury treatment
Sciatica treatment
Back pain treatment
Knee pain treatment
Hip pain treatment
Shoulder pain treatment
Neck pain treatment

If you are in pain we can help. If you have any questions for our team of top pain management doctors in Edison, NJ, please contact us by phone.
