Our 5000+ sq. ft well-equipped, well-designed clinic in a lovely area of beautiful Richmond Hill utilizing the latest dental technologies combined with our clinician’s knowledge and experiences provides better treatment and a pleasant patient experience. All dental specialty services alongside ORIS Smile Design, Sleep Dentistry, and advanced Oral Radiology Clinic will differentiate this clinic and make it exceptional. All patients at ORIS Dental Clinics will be cared for based on letters of recommendation from our dear colleagues. In meetings with people from different fields, treatment plans that meet the needs of the referral will be made. In ORIS, you have to stick to the referral policy.
