"For more than 30 years, the attorneys at Nelson Personal Injury have been representing clients throughout Minnesota who have suffered a serious personal injury, the wrongful death of a loved one, or were victims of medical malpractice.

We recognize that the process of getting fair compensation for an injury or death can be complicated and confusing. That’s why our lawyers take the time to explain every important aspect of your claim to make sure you have a complete understanding of what we are doing…and more importantly, why we are doing it. We have collected millions of dollars for thousands of Minnesotans who have been injured by the fault of another in the following types of claims: **Personal injury**, car accidents, motorcycle accidents, motorcycle accidents, wrongful death, slip and fall, medical malpractice, construction accidents, workers compensation and more. "
