Dr. Luis F. Garcia has emerged as a trailblazer in Biomagnetism therapy, with an impressive 15 years of practice. Through his regular training seminars, he has honed the skills of over 500 students. Today, more than 50 of his students are actively engaged in Biomagnetism practices across the USA. Dr. Garcia's contributions extend beyond training, as he has authored the esteemed "Biomagnetism Practitioner Guide Book." Moreover, he maintains an online store that offers essential magnets and supplies for Biomagnetism therapy. To enhance learning opportunities, he has developed the innovative "Beyond Biomag 3D Mobile App" and initiated an Online "Beyond Biomagnetism Therapy course" to cater to those unable to attend in-person seminars. In addition, Dr. Garcia conducts hands-on training seminars for individuals seeking comprehensive practical expertise.
