Hampden Dental & Aesthetics Clinic is a long-established child-friendly practice and a private dentist in Southgate led by Dr Avni Samani.

The clinic is conveniently located in East Barnet’s Hampden Square, and easily accessible via car, bus and Southgate tube station. Our multi-discipline practice has steadily built on the firm foundations of our predecessors since the practice was first established over 60 years ago.

Our dedicated team of long-serving dental professionals and specialists are passionate about keeping ahead of the field when it comes to dentistry.

Our practice has invested in cutting-edge equipment to provide quality care of the highest standard. Patients can benefit from digital X-rays, a digital 3D scanner and the latest in dental scanning technology for advanced dentistry and dental implants.

Whether it’s a routine check-up, tooth whitening, invisible braces such as Invisalign® or safe and effective facial aesthetics treatments like Fillers and Botox in Southgate, in East Barnet, our team of professionals are here to help and offer advice.

In case of emergencies like toothache, knocked-out tooth, sweeling or bleeding, please call us on 020 8368 1782 to book an urgent appointment with our Emergency Dentist. For patients experience anxiety during visits to the dentist, we have nervous patients dentist in Southgate to make you feel relax and at ease.

If you would like to have an informal chat with one of our team about treatments, there are hubs in the waiting room and a separate consultation room nearby.

There is free parking all around the clinic and onsite parking. We look forward to seeing you soon at Hampden Dental & Aesthetics Clinic.
