Company logo

We is the largest Home Improvement & DIY hardware supplier in Singapore with over 100,000 SKU covering 22 categories. Through our collaborations with our business partners, we are able to offer far more variety of products online which traditional hardware store or DIY shop are unable to offer. There are currently 4 trade centres at Ubi, Changi, Buroh and Woodlands. The Ubi outlet is also Singapore's largest DIY hardware store standing at 10,000 square feet.
