Our eclectic range of products include our stunning range of Classic Jukeboxes, hand crafted in the UK for both business and private homes. 21st Century HD Virtual pinballs and retro arcade machines such as Galaga. Gemm Productions offer a superb range of interactive and educational games designed especially to entertain kids in any environment, be it a supermarket, airport or even a changing room. Our range of outdoor Bean Bags and B Lights, designed to withstand our Middle Eastern Climate from Extreme Lounging in the UK. Finally, take a peek at our new Sports Simulator system, with access to over 60 different sports in one very cost effective package - perfect for leisure venues or professional coaches/associations.
