Authentic and Joyful Photography by Corey Flint Photography

Corey Flint Photography is dedicated to capturing authentic and joyful moments that celebrate the love and connection within families. With a passion for storytelling, Corey creates beautiful portraits that come to life as wall art and albums. Located on a private farm in Lincoln, MA, Corey's sessions are filled with laughter and fun, making everyone forget they're getting their pictures taken. The result is a collection of images that reflect your love of life and each other.
