The Downtown Vein Treatment Center in Brooklyn is the foremost center for New Yorkers seeking expert diagnoses and treatment for vein abnormalities, from varicose veins to deep vein thrombosis. The vein treatment center was founded by Dr. Sergei Sobolevsky, an accomplished Interventional Radiologist who brings extensive education, training, and experience to his practice. Alongside Downtown Fibroid Treatment Specialists, Dr. Sobolevsky and his team of best vein doctors accept most insurance coverage, making the Downtown Brooklyn-based practice ideal for all your vein and fibroid conditions. Call the center today for a consultation.
