At Summerside Dental, we'll help you overcome any dental-related fears, embarrassments, and obstacles preventing you from obtaining ideal dental and oral hygiene. We will provide the solutions to ensure the improvement of your smile!

Feel at home at our South Edmonton dental office and join our actively growing dental clientele. Established in 2007 and with more than 8000+ active patients, your concerns will be heard, understood, and respected. Regardless of whether your main priority is longevity, strength, esthetics, or expediency in your dental care, we are here to help.
