Lonestar Coachlines is a leading provider of bus and coach transportation services on the Gold Coast. With over 25 years of experience, the company is owned and operated by a fourth-generation cattle grazing family that brings a strong sense of traditional values and exceptional customer service to the industry.

As an Accredited Bus & Coach Operator in both Queensland and New South Wales, Lonestar Coachlines is committed to providing premium transport solutions. The company's fleet of vehicles is equipped with seatbelts and full air-conditioning, GPS tracking, and full CCTV monitoring. Clients can expect a seamless experience with the help of the custom Coach Management System that efficiently manages quotations and bookings.
