RECOMM Company is a leading financial institution specializing in providing funding solutions for commercial real estate (CRE) projects. With a proven track record of success, RECOMM has established itself as a reliable and trustworthy partner for investors, developers, and businesses seeking capital to finance their CRE ventures.

At RECOMM, we understand the unique challenges and opportunities that come with commercial real estate investments. Whether it's acquiring, developing, or refinancing properties, our team of experienced professionals is dedicated to tailoring loan packages that align with the specific needs of each client.

Our loan products are designed to cater to a diverse range of CRE projects, including office buildings, retail centers, industrial complexes, multi-family residences, and more. We take pride in our flexibility and responsiveness, allowing us to accommodate various deal sizes and complexities.

What sets RECOMM apart is our commitment to delivering personalized service and building strong, long-term relationships with our clients. Our experienced loan officers work closely with borrowers, guiding them through the application process, conducting thorough due diligence, and providing timely feedback. This collaborative approach ensures that clients receive the best possible financing options for their projects.
