WAY2FIX in Doha is Qatar's most trusted Apple service center, providing warranty-backed services for all Apple products. We also repair all replacements, whether it's a broken screen, iPhone rear glass, iPad screen, all motherboard repairs including Mac Book, Apple watch screen, or anything else, anywhere and at any time.WAY2FIX was formed in the summer of 2015 by a group of devoted and competent individuals who saw an opportunity to revolutionise the Apple service industry by offering in-home repairs. Thanks to a team of highly skilled professionals who ensure that your device and data are secure in safe hands, the customer has the luxury of assured mobile data security and total transparency in price and procedure.

**Services:** Apple Iphone Service, Apple Ipad Service, Apple Macbook Service, doorstep repair service, Apple Battery, Apple Adapter, Apple cases, apple headphones, apple protection care, wireless charger
