Accord Property Services is committed to protecting your asset through full-service facility management and services solutions. Our capabilities range from commercial cleaning, grounds and garden maintenance, to full-service integrated facility management.

Founded in 1992, Accord has built a reputation as a trusted, reliable provider that works closely with clients to deliver tailored solutions. From our humble beginnings in a Sydney home-office, we have grown steadily to become a full-service provider and now deliver services for hundreds of buildings across Australia every day. Our focus on industry-leading processes and systems delivered by motivated professionals enables us to keep delivering peace of mind for our customers. We believe that by doing our job as best we can, we help our clients maximise the value of their assets and concentrate on their core business.
