Cross Care is your home for quality allied health services in residential aged care, home care, and across the National Disability Insurance Scheme (NDIS) sector in Smithfield and other areas of Sydney.

We have the people, technology, and experience to help get your life back on track. Our dependable and competent allied health services include relevant support services from speech pathologists, occupational therapists, physiotherapists, psychologists, behavioural therapists, hydrotherapists, exercise physiologists, podiatrists, and dietitians.
