Bocce Ball Court

Sport Surfaces LLC is a reputable company specialising in court resurfacing for various sports, including basketball, tennis, hockey, pickleball, and running tracks. Our experts specialize in indoor and outdoor basketball court construction, tennis court construction, and other sports court services. We use high-quality materials and state-of-the-art techniques to ensure that your court is built to last. Whether you are looking for tennis court lighting, basketball court lighting, synthetic tennis court design, or poured-in-place rubber playgrounds, Sport Surfaces LLC has got you covered.
