Established since 2009, 24Hr Emergency Dentist Manchester is an emergency dental clinic in Manchester offering a wide range of emergency dental appointments for treatments like Broken teeth, Tooth extraction, Wisdom tooth extraction, Dental implants, Teeth cleaning, Gum hygiene and Root Canal treatment.

On visiting the practice you will be met by our friendly staff and offered the latest techniques in emergency dentistry. We have over 20 years worth of knowledge and experience in relieving pain and helping our patients receive the best care possible.

We are an experienced dental team that provides emergency treatment, covering the local and surrounding areas of Greater Manchester & Cheshire. Our qualified dental team will ensure that you’re well cared for by alleviating your anxieties and concerns, as we understand that delayed treatment will result in long term dental problems.

We have emergency clinics all around Manchester in Blackley, Hale, and Eccles.

For Dental Emergency in Manchester, call our team today.
