EMDR Center of the Rockies provides top quality, rigorous EMDRIA-approved EMDR Basic and Advanced Training and group and individual EMDR consultation. Our EMDR training and consultation is available online and in person, serving clinicians and therapists nationwide. Our EMDR education and training are extensive, innovative, and comprehensive, leading many to obtain an EMDR certification.

Our EMDR training format comprises four 2-day modules including lectures, practice, consultation, study groups, an extensive manual, and a video library to extend your education. We bring nearly 2 decades of EMDR therapy experience to our consultation and training. Learn more about our training and consultation through our website!
