Kyabram Refrigeration is the ultimate refrigeration company. We are authorized by the Australian Refrigeration Council (ARC) to provide standard services for all your refrigeration, **industrial water chillers** and air conditioning needs. Kyabram Refrigeration knows how to do the toughest job with the utmost ease. Whether the task is big or small, our top priority is providing the best quality service to our clients. We understand the extreme refrigeration needs of the dairy industry, servicing bulk milk vat breakdowns quickly and effectively.
