Westmount Dental Surgery is a NHS and private dentist in Middlesbrough dedicated to providing patients with the best dental treatments at affordable price.

We strive to make you feel calm and at ease from the time you come through the door, throughout treatment, and after you leave. Our expertise has been trained by prominent dentists from all over the world and is well prepared to perform a wide range of dental procedures.

From simple composite bonding to reshape teeth to complicated treatments like veneers, teeth whitening, dental implants, and Invisalign in Middlesbrough, we have all treatments available under one roof.

We are open on weekends and in the evenings to allow patients to schedule appointments around their busy lives. We also provide anxiety treatment for nervous patients and are open on weekends for particular treatments.

If you want to take care of or improve your smile but aren't sure where to begin, contact us today for a FREE smile consultation. We guarantee to look after you.
