As the top Sterling VA dentist we offer a wide range of dental services for every member of the family. While we specialize in TMD and sleep apnea, we al also offer cosmetic dentistry, pediatric dentistry, dental implants, endodontics, orthodontics, periodontics, and sedation dentistry. Dr. Joyce Bahng is a compassionate, qualified dentist who makes sure to thoroughly evaluate each patient at their appointments. If you need dental care of any kind, she offers customized care. Even if you don't have dental insurance, we offer an in-house wellness program to allow you to still receive affordable care
