Nominated for the WRAL Voter's Choice Awards, Affordable Solutions HVAC & Electrical has been serving the Raleigh Durham Chapel Hill area since 2014 performing service, replacement, and repairs on heating, air conditioning, and electrical systems. We are a factory authorized Generac sales and service dealer for Generac home standby Generators. Affordable Solutions HVAC & Electrical is a locally owned and family-operated company that has built its reputation in the RTP community through word-of-mouth referrals due to our attention to detail and commitment to our values.
