DWI Defense Lawyer Mark S. Cossuto is a highly valued defense attorney regarded by his clients as a dedicated and aggressive defender of the accused. His knowledge of his craft and superior service to his clients has allowed him to cultivate a full practice of extensive criminal defense law that is primarily based on referrals.

If you are facing DWI Charges in Manhattan, regardless of how the circumstances surrounding your charges or how they were precipitated, Mark will go the distance for you. Mark will fight for you, your family and your future.

When you put your trust in Mark, you gain an advocate who has fought for clients specifically for the same DWI-Related charges in the same courts that you are now dealing with. You get highly valuable knowledge and representation that is bar none.
