Welcome to Bond Dental Bloomsbury, your local NHS and Private Dentist in Bloomsbury, Kings Cross, Holborn, and Russell Square.

We have been serving the local community for years. Established in 1930, it’s a practice where patients receive the latest dental and cosmetic treatments in comfortable surroundings. At Bond Dental, nervous patients can overcome their fears and feel at ease.

Treatments at Bond Dental include Dentures, Veneers, Dental Brides, teeth whitening, composite bonding, Invisalign clear aligners, and dental implants Russell Square. We cover all the treatments of General and Cosmetic, Paediatric, Orthodontics and Advanced Dentistry.

For soft, young and wrinkle-free skin, we offer treatments like Dermal fillers Kings Cross and Botox to reduce facial lines and wrinkle.

In case of emergencies, call to book an appointment with our emergency dentist.

We look forward to seeing you at Bond Dental Bloomsbury.
