Espire Electrical Solutions based in Eltham North services the Melbourne Metro area, from small repairs to major upgrades.

Our focus is to bring you superior workmanship and customer service like you’ve never experienced from a tradesman. We bring a warm personalised service to ensure your vision becomes a reality. Whether it is a minor repair, upgrading your home to ensure the safety of you and your family or a beautiful redesign of your home or business, we will share the excitement and your vision each step of the way.
