Eagle Eye Renovations puts customer service first. Whether our roofers are replacing or repairing your roof, our siding installation experts are restoring your siding, or deck builders are installing a pergola, our painters are painting your home, our gutter pros are installing new gutters or we are doing renovations for your home we will bring a professional approach, competitive pricing and superior deliverables!

Our roofing contractors work with all types of shingle systems including metal roofing, slate, tile, and asphalt. Based in Parker, Colorado, serving Aurora, Castle Rock, Centennial, Franktown, Elizabeth and surrounding areas.

Specialists in handling insurance claims and hail storm damage.
