Core Driving School, based in Australia, is a leading truck driving training provider known for its exceptional and comprehensive programs. As a Registered Training Organisation (RTO#45477), we offer specialised courses for various truck licenses, including Light Rigid (LR), Medium Rigid (MR), Heavy Rigid (HR), Heavy Combination (HC), and Multi Combination (MC) vehicles. Our experienced instructors are dedicated to fostering a safe and supportive learning environment, ensuring students gain valuable skills and confidence to excel in the trucking industry. With a focus on competency-based training and assessment, we help individuals achieve their career goals and become competent, skilled truck drivers. Join **Core Driving School** today to accelerate your career in the transportation sector.
