EcoTek helps you fall in love with your home or business again while increasing its value, reducing repair and maintenance costs, and extending its life.

Let us do all the work by cleaning your dirty exterior and roof for you! As the most trusted power washing company in your area, we have the best people, tools, and expertise to make your property sparkle as we blast away mold, mildew, dirt, and debris from your home, commercial building, and property.

EcoTek Power Wash offers professional residential & commercial power washing, advanced roof & gutter cleaning, as well as parking lot cleaning services from North of Baltimore, through Metro DC and Southern Maryland area, then all the way down to Virginia Beach.

We also help to protect you and your family from structure fires with our specialized dryer vent cleaning program.
