Dr Hugo Fernandes is a caring and patient focused Consultant Gynaecologist & Fertility Specialist practicing in Melbourne, Victoria. He is an Advanced Laparoscopic (keyhole) Surgeon having completed a 2 year fellowship at The Royal Women’s Hospital and operates at the highest level of his field. He specialises in the management of all pelvic pathology including Endometriosis, Infertility, Adenomyosis, Heavy Periods, Cysts, Fibroids and Pelvic Pain. He treats couples with Infertility through his rooms and at Newlife IVF where he is a founding partner of one of the few Doctor Owned, Doctor Run (non-corporate) IVF Clinics in Australia. He has a Masters in Reproductive Medicine from UNSW and has been trained at world-leading clinics.
