If you or one of your senior family members needing to relocate, downsize, or even move into aged care. Classic moves specialise in being able to assist with the entire process from packing and unpacking, disposing of unwanted items, and even finding an auction to sell unwanted items of value if needed. We pride ourselves on our conduct, taking the utmost care with everything that we do, ensuring that the fuss is taken out so all you need to do is continue living in your new home. Located in Melbourne's inner east, Classic Moves has helped people get into their new homes with care, for the last 20 years.
