Company logo

Balustrade1 is the industry’s leader specialising in providing a wide range of balustrade solutions at the most competitive price. For more than 15 years, we have been providing Mornington Peninsula with the quality Balustrading solutions for all the residential and commercial projects.

We employ only best quality and industry grade glass and stainless steel to transform all the staircases, balconies and **pool fencing** into the beautiful and modern environments. We provide a wide range of balustrade to suit any requirement and needs.

Services We Offer:

- Balcony balustrade
- Balustrade
- Glass balustrade
- **Glass pool fencing**
- Staircase Bannisters
- Privacy Screens
- Enduroshield

Why Choose Us?

- More than 20 years of experience
- We only use 316 marine grade stainless steel
- All balustrades are finished to Australian standards
- Non-corrosive product and materials of the highest quality
- Free price quote

We have built an enviable reputation in providing flawless craftsmanship using quality materials and innovative designs. All our employees have more 15 years of experience in engineering, welding and design.
