We are an innovative group where design, fashion and travel collide to create functional products, which are designed to meet the demands of modern mobility.

We design solutions centered in innovative thinking developing simple, practical and aesthetic collections. We have an eye for detail. The small things matter. We love the environment.

Are you an explorer, travelling the world seeking your next adventure? Are you fascinated by urban culture, captivated by new experiences? Are you sophisticated free spirit lost in a world where the opportunities are infinite? Do you have an eye for design and innovation; are you passionate about conservation? Here, at BG Berlin we do things differently.
