360 Dental Care is a leading private/cosmetic dentist in Manchester, and a cosmetically focused dental practice offering full range of treatments from health to cosmetic and implant dentistry. We treat many dentists as patients and they refer their patients to us for treatment. Patients travel to see us from Manchester to Australia.

We have amazing, friendly team who are experts in their field and dedicated to giving you the best care possible. Enjoy professional cleanings, preventive care, and personalized advice for a healthy, confident smile from our skilled dental hygienist. We invest in the best technology like 3D Scanner to make treatment easier and more predictable for you. To make you feel more comfortable and try to make your visit enjoyable, we also invest in video glasses to watch netflix and Aromatherapy providing you with a pleasant and relaxing environment.

At 360 Dental Care, we have helped countless people achieve their perfect smile through cosmetic dentistry options like Invisalign, Dental Implants, Composite Veneers, Composite Bonding, Teeth Whitening and an amazing Smile Makeovers in Manchester. We offer Free consultations and clear explanations of your options and prices, all tailored to your needs.

We believe that health and beauty work hand in hand, hence we make sure that whilst our cosmetic dentistry treatments will leave you looking your best and health mouth.

With interest-free finance upto 2 years and payment plans available, transforming your smile is far more affordable than you might think.

To find out more, give us a call and arrange your FREE consultation today!
