We offer metal estate fencing in devon that are most commonly used during the Victorian Age however still often used today. Traditionally used on Country Estates, Gardens or field separation.On its own the Fence provides a great boundary and prevents unwanted livestock. However it can be modified to stop smaller animals such as rabbits or lambs passing through.

At Estate Fencing SW, we cover every aspect of fencing and gates, including repairs and replacements for domestic, commercial, and agricultural uses.

We also offer a guarantee across all of our works, from start to finish, so you can rest assured it will last. We pride ourselves on providing a wide range of fencing and gate solutions for both domestic and commercial customers.
