Company logo

Sociowash is a creative conglomeration, based in New Zealand. Our steadily growing clientele has given our team a very professional understanding of brands and their needs. Catering to brands with out of the box solutions has always been our aim. In our Digital Marketing wing, we take care of a brand’s communication from end to end supporting it with Product Design, UI/UX, Animation, Videography, Photography and a comprehensive Communication Design. We also provide services in Outbound Marketing such as Youth Marketing, Community Management, Guerilla and Out of Home marketing. Our Business Management services include Lead Generation, Market Research and Business Relationship Management. Our enthusiastic team of over a 100 Plus employees curate and execute awesome ideas keeping up with the evolving trends of new age advertising.
