Realizing that modern lifestyles negatively impact not only mental but also physical well-being, Lifetree, an ISO 9001: 2008 certified company was founded in 2013. Lifetree is a concept that aims to provide healthy living by providing answers to today's lifestyle issues with goodness of Ayurveda. Backed by research, Lifetree ayurvedic health supplements products address the requirements of the healthy body and mind. Working in the sphere of health supplements for over a decade, Lifetree products are synonymous with superb quality and effectiveness. We are dedicated to help people live stress- free life and experience inner peace in times of modern-day turmoil.
