Navascues Upholstery is a premium **furniture restoration** company in Melbourne and has been manufacturing beautiful furniture since 1973. We do furniture repairs and reupholstering at the reasonable prices.

We recover old furniture for both residential and commercial clients. We do furniture upholstery to give you durable, beautiful, and functional pieces. With a variety of colours and fabrics we use, we craft the furniture that looks seamless in your property.

Serving both Eastern and Northern suburbs of Melbourne, we strive to provide premium upholstery services to all our clients. With us, you are sure to get high standard services. Whether you have restoration for small or big furniture, you can trust our team to give you renewed furniture that look fabulous and which elevates your interiors.

Our services:

- Upholstery services
- Antique furniture restoration
- Mid-century and retro furniture restoration
- Frame and timber repairs
- Therapeutic and health care services
- Commercial upholstery services

At Navascues, we follow a transparent process of furniture repairing. When you contact us through phone or email, from providing a free quote to in-home visit to pick up furniture and delivering the final restored product – we take care of every step with utmost detail. Our only aim is to see happy faces of all our clients.

We also provide **custom commercial upholstery** services so that you can modify the furniture in whichever way you want. We bring old furniture back to life using our modern and durable techniques. For more information, contact us today or send an enquiry form through our website.
