Bullocks Freightmasters International is a Western Australian, family-run business, established in Fremantle 33 years ago. If you are seeking to import or export, we have the worldwide resources to service all your international freight needs. Our services include; customs broker, trade & tariff consultancy, warehousing and distribution, import and export freight forwarders for international, local and interstate destinations. We have state-of-the-art cargo tracking. Whether by air, sea, rail or road, we deliver your consignment to your destination on time, every time. International customs clearance service we provide as we are a highly trained customs broker in Australia. Talk to us about importing from China or importing into Australia.
