Carabooda Lawn was established in 1986 and is one of the largest turf farms Perth has, supplying grass to Trade and Commercial Landscapers, Bunnings and Residential Customers.

We value the importance of setting high standards within the Perth Turf Industry, providing quality turf varieties suited to WA, combined with outstanding customer service.

Choose from five lawn varieties complimented with a range of Fertilisers, Wetting Agent, Mineral Magic Soil Improver and Humus.

You may prefer to visit your local Bunnings store and collect freshly harvested lawn or order a delivery to your home through the Special Orders desk.
