Company logo

Feature Fencing is a West Australian company providing quality fencing and gates for home, commercial or industrial applications. Unlike other fencing companies we do not use pre-made fencing – every one of our jobs is custom designed to suit the need and specifications of our clients fencing job.

Whether you are looking to increase security of your home or business, install a pool protection fence, or simply want to add some style and class to your home, Feature Fencing can offer an affordable and attractive solution. We consider ourselves the best company for fencing Perth has to offer if you are looking for quality workmanship and value.
