China Valves Manufacturer Group Co., Ltd., established in 2000, stands as a leading valve manufacturer and service provider in China. Strategically situated in the renowned "Chinese Pump & Valve Town" of Oubei, within Wenzhou city, Zhejiang province, our company covers an expansive area of 21,000 square meters. We have seamlessly integrated design, production, examination, sales, and service to offer comprehensive solutions within the valve industry.

Our diverse product portfolio includes ball valves, butterfly valves, gate valves, globe valves, check valves, plug valves, various valve components and parts, as well as pipes and fittings. Operating under working pressures ranging from Class 150 LB to 2500 LB, PN6 to PN420, and sizes from NPS 1/4 Inch to 80 Inch, DN6 to DN2000, our materials encompass castings such as WCB, LCB, LC1, CF8, CF8M, CF3M, CF3, C5, WC6, WC9, Monel, duplex, and forged materials like A105, F11, F22, F91, F304, F316, F51, F321, F347, Inconel, etc. Our valves cater to working temperatures from -196℃ to 680℃, adhering strictly to ANSI, API, DIN, BS, JIS, EN, GOST standards. They find application in Petrochemical, Oil, Gas, Power Plant, Refining, and Metallurgy industries.

Stringent quality control measures ensure that our products not only meet but exceed customer expectations. China Supplier hold accreditation from ISO 9001:2000, PED, API 607, API 6D, and API 600. Our global reach extends to America, Europe, Southeast Asia, the Middle East, and Africa. The TRIC butterfly valve and SDV ball valve, both under the JSC Valve brand, have garnered widespread approval from our esteemed customers.
