JC Economics Education Centre is a Ministry of Education (MOE) registered tuition centre (MOE license No.: 3925) focusing exclusively on Economics tuition for A-level students. It was founded by Mr. Anthony Fok, an ex-MOE school teacher with several years of teaching experience. Mr. Anthony was featured in The Sunday Times newspapers as one of the five most sought-after tutors in Singapore. He is the only Economics tutor featured among the five of them.

At JC Economics Education Centre Pte Ltd Singapore, we have thoughtfully put together a unique program that is

- Based on the current, up-to-date MOE syllabus.
- Exam-Oriented and Focused.
- Enriching and meaningful.

Our lesson materials, including notes and practice papers, are constantly updated. This ensures that our students learn what they are being tested on.
