We at AAA TREE EXPERTS have a strong and passionate affinity for trees, but we must occasionally remove healthy trees for various reasons, such as precariously positioned trees that are leaning over a home or area of concern, as well as trees that are in close proximity to electric/utility wires. We provide safe and prompt tree removal utilizing the latest arborist techniques and well-maintained equipment. Wayne Neal – President/Founder. ISA Certified Arborist with 20+ years experience in the tree service industry. Mr. Neal was one of the regions most knowledgeable owner/ operators in the field of arboriculture.

Our certified Charlotte tree service experts will evaluate your property, discuss your landscaping goals, and make the best recommendations to achieve your vision. We will assess what can be done to promote the health, beauty, and structure of your existing trees. Additionally, we will identify dead or decaying trees that should be removed for safety and/or aesthetic purposes.

We offer expert residential service and commercial service to all of Charlotte and the surrounding areas.

Services: Storm Restoration 24/7, Arborist Service, Tree Risk Assessment, Pruning & Trimming, Deep Root, Fertilization, Tree Removal, Tree Health Care, Urban Forest Wood Utilization, Stump Grinding, Trunk Inoculation, Canker Worm Banding, Shrub Service, Residential Service, Commercial Service
