Bluetree Education Centre has a passionate teaching team of ex-MOE teachers and curriculum specialists who have taught in Singapore schools. Bluetree Education Centre teachers know exactly what’s expected of a student and the skills and knowledge that every student should be equipped with, to do well in their next exams. The courses offered are

- Primary Math
- Primary Science
- GEP
- Secondary Math
- Secondary Science

In addition to this Bluetree also organizes holiday programmes for students to enrich their learning. Visit the website for admission details.
