Rely on Highway King Mechanics for unparalleled convenience and expertise in automotive maintenance and repair. Our mobile service, spearheaded by Mohammed Hassan, ensures that professional help is just a phone call away, eliminating the need for you to visit a shop. Serving Fremont, CA, and surrounding areas, we are dedicated to providing a wide array of services, including brakes and suspension, charging and starting system maintenance, electrical diagnostic, and more, directly to your location.

We are not just another mechanic service; we are your comprehensive solution for fleet vehicle service, full service vehicle maintenance, hybrid diagnostic, and specialized hybrid vehicle service. Our expertise also extends to welding and fabrication, making us the ideal choice for custom repairs and modifications. Plus, our emergency roadside service ensures that you're never alone in case of unexpected breakdowns.
