The Law Office of Matthew C. Jordan is devoted solely to helping Georgia's injured workers. The Georgia Workers' Compensation system is complicated and confusing. You do not need to navigate it alone! Get answers to all of your questions and have an advocate in your corner. Our office is conveniently located in Athens, and our firm is equipped to assist injured workers throughout Georgia. Our Law Firm helps Injured workers in Georgia gain access to several benefits they are entitled to, including: Medical treatment at no cost to the worker; Wage replacement benefits; and Compensation for the permanency of the injury. If you've been injured at work in the Athens, GA area, we can help you.
