"Our clinic is conveniently located on Whyte Avenue in Edmonton within the Roots On Whyte building. We are dedicated to providing you with gentle care and high quality services in a comfortable but professional setting so that you can achieve and maintain a beautiful smile and also harmonious overall health. It is our goal to attend to your needs and we will come up with a treatment plan that is tailored to you. We offer a large variety of dental services including diagnostic, preventive, restorative, prosthetic and surgical procedures. We are aware that many oral and dental pathologies and conditions may be closely linked to systemic health and that the treatment we do will have an impact, whether great or little, on the rest of the body"
