A Destin Yacht Tour is the best way to see the Destin harbor and the Gulf of Mexico. Our Destin Yacht Tours are an adventure aboard a private yacht with a friendly, knowledgeable, and attentive crew to care for your every need. Whether you want to cruise the Destin harbor, head to Crab Island for the day or go on a dolphin cruise, SlapHappy Yacht Tours is the perfect experience for you, your family and friends.

The SlapHappy yacht is perfect for a day of fun in the Destin Harbor. Our boat features a spacious U-shaped cockpit, perfect for swimming or just enjoying the water. The outdoor seating area features a large, central table area that is perfect for entertaining your guests. The table is also removable, converting this area into a sun-pad. For relaxing, the salon has wrap around seating and flows into a full galley. The master stateroom features a queen sized bed, and the guest stateroom (VIP) features two bunk beds with plenty of storage space. There are two bathrooms on the 50 foot SeaRay Yacht. We know you'll enjoy your time aboard our yacht!
