With your poo, well actually your dogs poo, which is still your responsibility, however, Poo Force has a mission.

That mission involves adapting to the changing roles in society, while providing a service with full integrity. Some of the values Poo Force aligns with include efficiency, support, gratitude, a healthy spirit, and a Poo-Free yard! Yeah we scoop poop but we're pretty cool too! We provide all-inclusive poop scooping services to single-family homes, multi-family residential communities, senior living facilities, animal shelters, veterinary offices and other pet-friendly businesses who require pet poop removal services within the Twin Cities St. Paul Metro. Our motto is “Got Poop?” Whether it’s dog poop or cat poop, WE clean, YOU relax!
