Our goal at Glugeth & Pierguidi, P.C. is to seek justice, fairness, and the maximum amount of compensation for those who have suffered harm as a result of another person's negligence or willful misconduct. We are proactive, detail-oriented, and deeply committed to the welfare of our clients. Many personal injury law firms don't routinely litigate matters in court. We do.

We stay up to date on any changes to the law, agency regulations, and case law updates that may have an impact on New Jersey or New York personal injury claims. Our attorneys are knowledgeable with the rules that safeguard your ability to receive the financial compensation you require to cope after your accident-related disabilities rendered you unable to work. To obtain the highest amount of compensation possible, we will initiate claims against any potentially culpable parties.

Call our New York City or Hoboken office. If you'd like, you may schedule a consultation by sending us an email through our secure website. 24/7, we are available to you.
